RE: NATIONAL 4-H CONFERENCE

April 23-29, 1960

Bulletin No. 1
December 1, 1959

1. National 4-H Center -- Home of the Conference

Practically all meetings of leaders and delegates will be held at the 4-H Center during the 1960 Conference. All official delegates (leaders and members) can be housed at the Center this year. We are sure the Center facilities will add a new dimension of fellowship and spirit to the conference.

2. Date: April 23-29, 1960

We are looking forward to the new opportunities afforded by this change from the usual June date.

3. The Official National Conference of State 4-H Club Leaders

In compliance with the recommendations of the Subcommittee, we are keeping routine delegate conference assignments to a minimum to insure that the majority of State leaders are free to attend the leaders' sessions.

4. Delegates' Registration Forms

Enclosed are the registration blanks for the official 4-H Club member delegates (due not later than February 15), and physical examination certificates for delegates. It is indicated the health certificate should accompany the registration form, however, it is satisfactory for it to be submitted later.

5. Conference Announcements Later

A detailed conference announcement, with copies for each member of your State delegation, will be mailed about February 1.
